Dear Prof Joaquim Correia,

It is my pleasure to know you are interested in furthering the cooperation between your University and Quy Nhon University, which is also our commitment.

Therefore, I am more than happy to invite you to pay a short visit as a visiting scholar at Quy Nhon University for the period from the 17th to the 23rd of July, 2017.

During your visit, we will be discussing the possibility of Quy Nhon University's participation in the Capacity Building Erasmus+ Project you are going to submit to the European Commission. We are interested in applied mathematics research projects that you are working forward.

If you accept this invitation, please kindly provide us with your identity information, flight itinerary, and planned accommodation via email international@qnu.edu.vn before your departure. You are invited to stay at QNU's Guest House during your visit if you would like to.

Should you need more detailed information and support for your visit at Quy Nhon University, please feel free to contact QNU International: Mr. Tran Minh Chuong at the above email or at tranminhchuong@qnu.edu.vn.

I look forward to welcoming you at Quy Nhon University. *ms*

Sincerely yours,

Assoc. Prof. DO NGOC MY

Rector
