**C.2. Request by Ms Hassi on the vote on the first reading agreement concluded with the Council on the Zanoni report on Environmental Impact Assessment**  
[EI]

**Decision:**

The coordinators decided, following an exchange of views, that only the agreement with the Council Presidency should be the object of the vote to be taken pursuant to Rule 70(5) and consequently rejected the request of the Greens/EFA group that in addition to the consolidated text, an amendment to include exploration and extraction of shale gas (14a and 14b of original EP amendment to Annex I) be put to revote in the Committee.

**C.3. Request for an Oral Question (in the plenary) on the feasibility of introducing mandatory country of origin labelling**  
[IF]

*See item A.9.*

**Decision:**

The coordinators decided that the Environment Committee should adopt the above Oral Question to be tabled in the plenary (without resolution) at the ENVI meeting of 12 February 2014.

**C.4. Opening negotiations with Iceland concerning the participation of Iceland in the second commitment period of the Kyoto Protocol**  
[GA]

**Decision:**

The Coordinators took note of the opening of the negotiations on this issue.

**C.5. Update on the state of play regarding the 'backloading'<sup>1</sup> comitology draft measure**  
[IF]

The papers for the meeting included a letter dated 7 January 2014 from Commissioner Hedegaard.

**Decision:**

**The coordinators**

- noted that the internal deadline for objections against the 'backloading' draft measure would expire on 24 January at 12 o'clock noon;
- agreed that the vote on possible objections against the 'backloading' draft measure would be held in ENVI on 30 January 2014;
- noted that the Chair would make a recommendation as to a possible shortening of the scrutiny period if no objections were received or if possible objections were rejected.

**C.6. EP delegation to COP 20, Lima, Peru: 8- 21 December 2014**  
[IF]

**Decision:**

The Coordinators decided, following an exchange of views, that the Chairman (together with the Chair of ITRE, if that Committee so agreed) write to the President of the European Parliament requesting authorisation for the sending of a 10-Member ad hoc delegation to the high-level segment of the COP 20 Climate Change Conference in Lima, Peru, from 8-12 December 2014.

<sup>1</sup> Commission Regulation (EU) No .../.. of XXX amending Regulation (EU) No 1031/2010 in particular to determine the volumes of greenhouse gas emission allowances to be auctioned in 2013-2020

**C.7. Request by the EPP on the vote on the first reading agreement on the dossier on electronic identification of bovine animals and beef labelling.**

[EI]

**Decision:**

**The Coordinators**

- held an exchange of views;
- noted that there was a divergence of views;
- decided that the Environment Committee shall decide at its next meeting, by means of a vote on the procedure, whether or not the possible agreement with the Council should be put to a vote and that if the outcome of that vote were affirmative, the Committee would subsequently decide by a vote whether or not the possible agreement should be approved.
